

Old Swinford Hospital – GCSE and A level results 2024

Whilst the national picture is still very much about tightening grade boundaries and declining pass rates, Old Swinford Hospital's results show a clear 'bucking of the trend' with further growth and improvement on our excellent 2023/24 results in a number of key areas.

At GCSE, we have seen a significant increase in the number of students securing the top grades (7-9) with over 40% of OSH students securing Grade 7 and above in English and/or Maths. This is significantly above national averages and is an increase of nearly 10% when compared to last year's results, showing that our journey of growth and commitment to academic excellence is very much on track. Elsewhere, we have enjoyed significant success in areas such as Science, Geography, Computer Studies, Chinese and RE.

At A level, we have seen our A*-C % increase dramatically this past year with an uplift of 9% and overall pass rates have also significantly increased. The destinations of our leavers continue to be very competitive with Oxbridge, Medical, Veterinary, Russell Group and Degree Apprenticeship successes.

Once again, we would like to pass on our congratulations to our pupils, teachers and parents for what is always a team effort in securing these results, and wish our leavers all the very best in their onward journey.
