

Old Swinford Hospital – GCSE and A Level results 2025

At GCSE, our last all boy's cohort rounded off this chapter of the School's history with a stellar set of results, the best in a decade!

Old Swinford Hospital's commitment to academic excellence was further cemented by improvements in English and Maths across all data metrics. In English we had a staggering 45% of the cohort secure 7-9 (up from 40% last year) and in Maths, those securing the very top grades was even higher at 47% (40% last year). We also saw improvements at both 5-9 and 4-9 in English and Maths with 80% securing a strong pass (5-9) in both and 90% securing passes (4-9).

Outside of the core elements, we saw some outstanding results in the Sciences, Design and Technology, History, Music and PE.

Furthermore, we are delighted that our 'Attainment 8' score has risen again this year, demonstrating that students achieve excellent outcomes right across the subject range. Whilst there are no official 'Progress 8' statistics for this year group, due to this being a Covid impacted cohort in Year 6, internal calculations and comparable data from last year strongly suggest a progress score of at least +0.5, showing that we are able to add value to our students beyond the expected standard.

These results make OSH the top performing school within the Dudley borough and place us significantly above national averages. Most of all, these results are testament to the hard work of students and staff at OSH.

In the Sixth Form, A level results continue to improve in an upwards trajectory across data metrics. The proportion of students achieving A*-B and A*-C grades has risen once again. We saw some outstanding results in English Language and Literature and History which had 100% A*-C and in Business Studies, DT and Geography where cohorts secured significantly above the national average in A*-A %.
